**Future Ready: Fridley's Successful Pathways to College & Careers**

Minnesota's first and only school district to provide the full E-12 International Baccalaureate Continuum

# A Message from Superintendent Dr. Kim Hiel

*Dr. Kim Hiel*

## Welcome Back to School, Fridley Families!

I am pleased to welcome all our students and families back to school! We hope that you are all having a great summer and that you are preparing and looking forward to another successful school year.

Throughout this District Calendar, you will see and read information about our school district, the programs we provide, and the pathways that students can choose to help them successfully prepare for college and careers. We are incredibly proud of our hard working teachers and staff and their dedication to the success of our students.

Fridley Public Schools offers many high-quality, unique programs to students at no cost. The district administration, staff and school board have worked tirelessly to ensure that our students have multiple opportunities to select from, and that each option fits our students' own individual learning needs. We continuously look at our programs and services and evaluate the best educational opportunities to develop and/or implement for students.

This past school year, our preschool received authorization to provide the International Baccalaureate (IB) Primary Years Program (PYP) to our 3- and 4-year old scholars. With this authorization, I am incredibly proud to share that our school district is the first and only school district in Minnesota to offer the full IB Continuum to students in preschool through high school. Our young preschool scholars are on an IB Continuum path that will continue through elementary into middle and high school with the Middle Years Program (MYP), and will give them the option of selecting the highly rigorous full Diploma Program or a Career-related Program in their final high school years.

Our most important priority is to prepare our young learners for college and careers. To successfully do so, it is essential to develop and implement programs that support the current interests of students, while also anticipating the needs of tomorrow. Our world today requires options, flexibility, and adaptability. We have worked hard to provide opportunities for our students that will make them globally competitive. We value innovation, equity and access to opportunities for all our students.

Our teachers and staff are hard at work preparing for the new school year, and we cannot wait to see and welcome our students back to school in September.

Thank you,

*Kim Hiel, Ed. D.*

## Pathways to Success: Fridley IB Middle Years Programme

*Immerse in challenging, comprehensive curriculum framework at FMS & FHS*

The International Baccalaureate Middle Years Programme (MYP) is offered to Fridley Middle School and Fridley High School students in grades 5-10. Students benefit from:

- **Critical thinking skills and self-directed discovery**
- **Strong academic preparation for IB Diploma or Career-related Programmes**
- **Developing "Approaches to Learning" Skills**
- **Community service-oriented projects and taking action**
- **Second language requirement**
- **Learning through global contexts and developing international-mindedness**

After completion of the MYP, students are ready to take on the IB Diploma Programme or IB Career-related Programme coursework!

### THE IB MYP AT FRIDLEY PUBLIC SCHOOLS

Fridley Middle School and Fridley High School were authorized as IB World Schools in 2007. Both schools provide the rigorous Middle Years Programme (MYP) to students in grades 5-10. In addition, our schools provide AVID, a college preparation program that uses strategic practices to support student success in challenging academics.

Join us! Your journey to college and career begins here!

## The International Baccalaureate (IB) Continuum

Minnesota's first and only district to provide the full IB Continuum from PreK-Grade 12

**Fridley Public Schools is Minnesota's first and only school district to offer the full IB Continuum from Prekindergarten to Grade 12.**

Fridley Preschool, Hayes Elementary, Stevenson Elementary, Fridley Middle School and Fridley High School are all authorized IB World Schools. Our IB World Schools provide rigorous transdisciplinary curriculum that emphasizes inquiry-based learning, creative problem solving, hands-on projects, global focus, and taking action in the community.

By offering the IB programmes across all school levels, our district is equipping students with the skills they need to be successful in a globalized economy. Education through the IB framework has an emphasis on international mindedness, rigorous curriculum and assessment, instruction in a second language, and teaching the whole child. At Fridley, all students have the opportunity to learn Spanish from kindergarten to high school and have the option to add Chinese Mandarin beginning in 5th grade.

Through the IB framework, we focus on...

**Holistic Development**

**Real World Connections**

**Intercultural Understanding**

**Transdisciplinary Approach**

**Serving Your Community**

From Fridley Preschool to Fridley High School, students are equipped to thrive in today's globalized economy

## FRIDLEY HIGH SCHOOL *Double Your Diplomas at Fridley High School!*

### IB DIPLOMA PROGRAMME (DP)

**Earn your IB Diploma, a significant credential for high caliber college admissions**

Our **Full Diploma Programme** provides all students the opportunity to earn an internationally-recognized IB Diploma through the advanced, rigorous IB DP Pathway that readily prepares students for college-level coursework. IB DP also provides opportunity to earn college credits.

**IB For All:** All students receive the benefit and rigor of IB DP classes through Fridley High School's "IB For All" model.

### IB CAREER-RELATED PROGRAMME (CP)

**Earn career-ready certification and college credits in high school**

Students can specialize their studies and become certified in **EMR** and/or **EMT certification** through our Health Career Pathway or earn **IT professional certification in CompTIA A+** through the IT/Computer Science Career Pathway. Along with certification, students also earn college credits.

### CONCURRENT AND ARTICULATED COLLEGE COURSE OPTIONS AT FHS

**Earn multiple college credits through classes at Fridley High School**

We offer concurrent (dual enrollment) and articulated course options where students can **earn technical and community college credits** while taking Fridley High School classes.

### PSEO (POST-SECONDARY ENROLLMENT OPTIONS)

**Earn your Associate's Degree in high school at NO COST**

Students can enroll in full-time or part-time Post-Secondary Enrollment Options (PSEO) and **earn both college credit and high school credit** through successful completion of college courses. Students can jumpstart their college journey by **earning an Associate's Degree alongside their high school diploma!**

**Your Path to College & Career Success!**

***Is your child ready to start school?***

## **Schedule an Early Childhood Screening!**

An Early Childhood Screening is required by Minnesota State Law prior to entrance into public school. It is an early look at how your child is growing and developing. Screenings are conducted at the Fridley Community Center (6085 7th Street NE) throughout the year. Please check the calendar for dates and times!

Call 763-502-5111 or visit <https://fridley.ce.eleyo.com> to schedule an appointment!

(Appointments required)

For more information about screening, contact Mora Slifka at 763-502-5157.

***Are you new to the Fridley School District?***

***Contact us today!***

Welcome to the Fridley community! If you have recently moved into district boundaries, please contact our Enrollment Coordinator to be added to our contact list. This will enable us to provide you with information about our schools, programs and opportunities for you and your family. Please contact Lori O'Dowd at 763-502-5081.

In addition to Preschool - Grade 12 schools, the Fridley Community Education program provides lifelong learning opportunities for all ages - from childcare for newborns, toddlers, and school-aged children to youth and adult enrichment to senior citizen programs. For more information on Community Ed. opportunities, please contact: 763-502-5100.

## **STUDENT DATA PRIVACY POLICY**

It is the policy of the Fridley Public School Board that the District comply with the Federal Family Rights and Privacy Act and Minnesota Government Data Practices Act. Parents/guardians or eligible student has the right to file a complaint with the US Department of Education regarding an alleged failure by the District to comply with federal and state law. A complete copy of Policy 515 Protection and Privacy of Pupil Records is available on the website.

Educational records which identify or could be used to identify a student other than directory information, may not be released to members of the public without the written permission of the student's parents or guardians or the student if s/he is 18, attends a post-secondary institution, is married, or has graduated. This general rule is subject to specific and limited exceptions which are set out in district policy.

Directory Information may be released to the public without permission of the student, parent, or guardian. Directory Information includes: the student's name, date and place of birth, class designation Fridley School District or grade level, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, photograph, and the most recent previous educational agency or institution attended. Directory information does not include data which references religion, race, color, social position or nationality.

It is the practice of district to release educational records to educational institutions to which as student intends to enroll or has enrolled including suspension and expulsion records without notifying the student or parent/guardians prior to the transfer. Upon request, the district will provide the student or guardians with a copy of the educational records which have been transferred and provide an opportunity for a hearing to challenge the content of those records.

If a student or parent/guardian does not want some or all of this data to be made public, they must notify their school principal in writing within 30 days of enrollment. If they choose to deny release of all directory information, the student will be excluded from such published lists as honor rolls, press releases regarding sports achievements, honors received, and athletic/arts/music/theater/academic printed and electronic programs/publications. A request to deny release of information must be requested in writing each year.

## **2021-2022 ANNUAL REPORT ON CURRICULUM AND INSTRUCTION AND STUDENT ACHIEVEMENT**

The Fridley Public Schools annual World's Best Workforce (WBWF) Report will be available on our website on November 1, 2020. The report includes a review of student achievement, curriculum development, school improvement, and staff development. If you would prefer to have a copy of this report mailed to you, please contact the Department of Teaching and Learning at 763-502-5005.

If you have any comments or questions about the report or are interested in providing input and feedback on the goals, strategies and progress of the District's World's Best Workforce plan, please contact the Director of Teaching and Learning at 763-502-5005. Notice of WBWF public hearings will be posted on the school website.
